

# The Clobex<sup>®</sup> and Vectical<sup>®</sup> Instant Savings Program has you covered

## With the savings program, you are eligible to pay\*

- No more than **\$30** for any form of Clobex<sup>®</sup> (clobetasol propionate), 0.05% (largest-sized bottles only)
- **\$0** for your Vectical<sup>®</sup> (calcitriol) Ointment 3 mcg/g prescription

This offer is also good for refills, so please use it each time you fill your Clobex<sup>®</sup> or Vectical<sup>®</sup> Ointment prescription.

## Bring the card below with your prescription to your pharmacy for instant savings

While at the pharmacy, make sure your pharmacist processes your primary insurance first and then runs the Instant Savings Program offer as a copay-only billing claim.

**SAVINGS CARD**

### \*Eligibility requirements:

Amount of rebate for the purchase of Vectical<sup>®</sup> Ointment or Clobex<sup>®</sup> might vary based on your insurance plan. Visit [www.clobexvecticalsavings.com](http://www.clobexvecticalsavings.com) to view the full terms and conditions of the program. Maximum benefit is \$300.

Offer not valid for prescriptions reimbursed or paid under Medicare, Medicaid, or any government (public insurance) programs, or any private payer in the state of Massachusetts. Offer void where prohibited by law, taxed, or restricted. Offer good only in the USA. Galderma reserves the right to rescind, revoke, or amend this offer without notice.

Monday-Friday, 7:00 AM to 10:00 PM CT**

### Important Safety Information for Vectical® Ointment

Vectical® (calcitriol) Ointment 3 mcg/g is a topical treatment for mild to moderate plaque psoriasis in adults 18 years or older. When using Vectical®, you may experience skin discomfort and itching. Because Vectical® may affect how your body regulates calcium, tell your doctor if you suffer from kidney disease or renal insufficiency. Also, tell your doctor if you are taking medications like diuretics, calcium supplements or oral Vitamin D, or if you are pregnant, trying to become pregnant or nursing. It is important to avoid excessive exposure to natural or artificial sunlight when using the ointment. If you experience severe irritation when using Vectical®, discontinue use and contact your doctor immediately. Avoid contact with eyes, lips and face. Do not use more than 200 grams (2 tubes) per week.

### Important Safety Information for Clobex® Products

**CLOBEX® (clobetasol propionate) Spray, Lotion and Shampoo, 0.05%, are not recommended for use on anyone younger than 18 years of age.** Use only as directed. The drug in CLOBEX® Spray, Lotion and Shampoo, 0.05%, can pass through your skin. Treatment with CLOBEX® Lotion for steroid-responsive dermatoses (eczema, etc) should be limited to 2 weeks. Too much of the drug passing through your skin may cause harm to your adrenal glands. To reduce this risk, your total combined use of these products should not exceed 50 grams per week. Adrenal gland impairment can cause nausea, vomiting and fever, so be sure to notify your doctor immediately if you experience any symptoms. Do not apply CLOBEX® Spray, Lotion or Shampoo, 0.05%, to your face, underarms or groin and avoid contact with eyes and lips. Other possible side effects with CLOBEX® Shampoo, 0.05%, include mild burning, itching, redness, dry skin, thinning of the skin and widening of small blood vessels in the skin.

You are encouraged to report negative side effects of prescription drugs to the FDA. Visit [www.fda.gov/medwatch](http://www.fda.gov/medwatch) or call 1-800-FDA-1088 (1-800-332-1088).
